

D-DAY PARTICIPANT IDENTIFICATION AND PROFILE PROJECT

We are currently creating a database to collect the names of those who participated in Operation Overlord and Operation Neptune. This includes those who participated in D-Day but died on or after June 6th and before the end of the war, those who have died since the end of the war, and those who are still living.

If you were a participant in the D-Day invasion of Normandy, or if you had a family member or friend who was a participant, please fill out the section below with as much information as possible and return it to:
