

Gold Star Garden Commemorative Brick Form

Blue Star and Gold Star symbols date to World War I, when American families began hanging banners indicating that a member of the household was engaged in military service. If a service member was killed in action, the Blue Star was replaced with a Gold Star. During World War II, an estimated 1 in 5 American households displayed a service banner. Placed within the National D-Day Memorial's Gold Star Garden, **Gold Star Garden bricks are reserved ONLY for the remembrance of individuals who lost their lives in service to United States.**

At a cost of **\$300 each**, commemorative bricks are an affordable way to permanently recognize a veteran or service member at the National D-Day Memorial. If your loved one's brick qualifies for placement in the Gold Star Garden, please carefully and accurately print your information on the following form and return it to the Foundation. Possible brick inscriptions may include, but are not limited to: Name, rank, branch of service, years of service, conflict served, date of death, etc.

Bricks are dedicated on **Memorial Day** and **Veterans Day** each year. You will receive an invitation packet with information about the dedication ceremony approximately one month before the dedication date. Due to logistical concerns, please allow us to choose the exact location of your brick. After your completed brick form is received and processed, you will receive a printed receipt by mail, which will include a printed copy of your brick inscription. Please proof your inscription carefully. If your text is correct, no response is required.
